Fine-tuning of the project outputs

After few months of intensive pilot testing (September 2018 - April 2019) of project main products: On-line career aptitude tool, Game Get to Know the Labour Market and Programme Toolkit in the project countries, the partners have finalized the gathered feedback in the National Reports.

Currently, the fine-tuning process of the project products is taking place, with the project experts working on the final, modified project results best suited to target group needs.

MULTIPLIER EVENTS

5th Transnational Project Meeting

From 10-11 of June 2019 the last Transnational Project Meeting took place in the premises of C.P.R. Plurilingüe Nuestra Sra del Carmen, the Spanish partner school, in Betanzos, Spain.

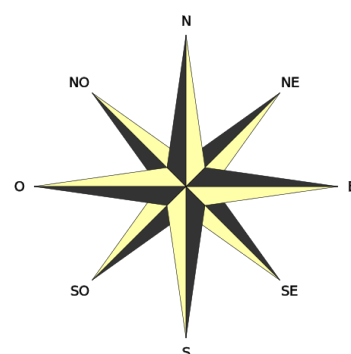

During the meeting, the partners discussed fine-tuning process of the project results as well as upcoming activities and deadlines.

On the first day, the meeting started with a brief presentation of the new project partner from Turkey: ANTALAYA IL MILLI EGITIM MUDURLUGU, followed by an overview of the work progress on the “On-line career aptitude tool for students” and “Get to know the labour market – Game” by Eurosucces. Highgate Private school (Cyprus) the final English version of the Programme Toolkit already updated after the piloting.

On the 2nd day, the partners discussed the internal project issues related to promotion, dissemination and exploitation, as well as the quality control, monitoring and evaluation and the administrative/financial obligatory regulations.

The main focus was on the organization and delivery of Multiplier Events in the project countries. The events will be ideal occasion both for students and career counsellors to get a grasp of the project results and become familiar with the project.

It was a pleasant and productive meeting for all the partners!
